Dear Mr. Itoh,

NOTICE OF AUTHORIZATION TO APPLY THE UL AND C-UL MARKS

This letter temporarily supplements the UL Follow-Up Services Inspection Procedure.

This letter serves as authorization to apply the Classification Mark to the subject product constructed similar to sample submitted for our evaluation.

To provide the manufacturer with the intended authorization to use the UL Classification Mark and the UL Classification Mark for Canada you, the Applicant, must send a copy of this Notice to the manufacturing location.

This authorization is effective for only 90 days from the date of this Notice. Records covering your products are now being prepared and will be sent to you in the future.

Products produced which bear the UL Mark shall be identical to those which were evaluated by UL and found to comply with UL's requirements. If changes in construction are discovered, authorization to use the UL Mark may be withdrawn and products which bear the UL Mark may have to be revised (in the field or at the manufacturer's facility) to bring them into compliance with UL's requirements.

If we can be of further assistance, please do not hesitate to contact us.

Very truly yours,

Dear Mr. Tomioka:

**NOTICE OF AUTHORIZATION TO APPLY THE UL CLASSIFICATION MARKS FOR THE US
AND FOR CANADA**

This letter temporarily supplements the UL Follow-Up Service Inspection Procedure.

In response to your letter dated June 17, 2000 we have opened Project 00ME13269 with a cost limit of \$4700. We have completed this engineering investigation and find the product complies with the applicable requirements.

This letter serves as authorization to apply the UL Classification Mark to the above product which is constructed identical to the unit which was submitted to UL for this investigation. The UL records covering the products will be in the Follow-Up Services Inspection Procedure, File E167351, Vol. 2.

To Provide the manufacturer with the intended authorization to use the UL Mark you, the Applicant, must send a copy of this Notice to each manufacturing location covered by a UL Follow-Up Service Procedure.

This authorization is effective only for 90 days from the date of this Notice. Records covering your product are now being prepared and will be sent to you in the near future.

Products produced which bear the UL Mark shall be identical to those which were evaluated by UL and found to comply with UL's requirements. If changes in construction are discovered, authorization to use the UL Mark may be withdrawn and products that bear the UL Mark may have to be revised (in the field or at the manufacturer's facility) to bring them into compliance with UL's requirements.

If we can be of further assistance, please do not hesitate to contact us.

Very Truly Yours,
