Dear Mr. Kawano,

**NOTICE OF AUTHORIZATION TO APPLY THE UL AND C-UL MARKS**

This letter temporarily supplements the UL Follow-Up Services Inspection Procedure.

This letter serves as authorization to apply the Listing Mark to the subject product constructed similar to sample submitted for our evaluation.

To provide the manufacturer with the intended authorization to use the UL Listing Mark and the UL Recognition Mark for Canada you, the Applicant, must send a copy of this Notice to the manufacturing location.

This authorization is effective for only 90 days from the date of this Notice. Records covering your products are now being prepared and will be sent to you in the future.

Products produced which bear the UL Mark shall be identical to those which were evaluated by UL and found to comply with UL's requirements. If changes in construction are discovered, authorization to use the UL Mark may be withdrawn and products which bear the UL Mark may have to be revised (in the field or at the manufacturer's facility) to bring them into compliance with UL's requirements.

If we can be of further assistance, please do not hesitate to contact us.

Very truly yours,
