

Operation confirmed USB memories list for VPL-MX25/VPL-DX15 (As of 2009, March 31)

- The listed USB memories were confirmed to operate properly for this projector by Sony. However, the projector provides no guarantee of the operation of every USB memory.
- Operation of USB memory connected to the projector via a USB hub is not checked.
- Do not disconnect a USB memory while the USB access lamp lights or blinks. It may cause damage to the data.
- Sony shall not be responsible for any damage to or loss of any data due to failure of VPL-MX25/VPL-DX15.
- To prevent data from accidental loss, we recommend that you back up data frequently. Should data have been lost, Sony will not be liable for damages of any kind.
